

Financial Management Leadership Development Program 2016

Presented by Local Government Finance Professionals

Proudly supported by Vision Super

General Information

This Program is aimed at those who see themselves as future leaders in Local Government Finance.

The course, titled Financial Management Leadership Development, will give up to 10 successful applicants the rare opportunity to participate in a 2 ½ day residential program. Participants in the program will be given the chance to enhance their leadership and management capabilities. The course content is aimed at preparing people for a leadership role in Local Government Finance and beyond. Participants in the program will work with Industry leaders to gain knowledge and practical experience in a range of topics that include:

- Overview of Local Government
- Rates and Valuations Management
- Managing Performance
- Myers Briggs (MBTI) Personality Type Assessment
- Leadership
- Practical Financial Management
- Public Speaking and Effective Communications
- Strategic Financial Planning
- Achieving a successful balance between your professional and personal life.

Presenters include:

Linda MacRae - Linda has over 35 years experience in Local Government in Senior Finance and Administration positions with metropolitan, regional and rural municipalities. She has Local Government and Teaching qualifications.

Danny Wain –Danny is currently Manager Finance Services at Monash City Council. He is currently an Executive member of FinPro and is also a Past President. In his various Local Government roles over the past 29 years he has been an integral part of responsible fiscal management and has prepared many budgets based on sound long-term financial policy.

Mick Jaensch – Mick is currently the Director Corporate Services at the City of Greater Dandenong. He has worked in Local Government at a range of both rural and metropolitan Councils over a 26 year Local Government career and has a strong financial background. Mick has been passionate around the issues of long term financial planning and the measurement of underlying surplus outcomes. He has never been one to simply follow normal conventions and looks forward to providing some food for thought.

Margaret Devlin – Margaret is a highly qualified professional facilitator, consultant and mentor with over 30 years experience. Her formal qualifications include a Bachelor of Arts, Diploma of Education and a Post Graduate Diploma in Organisation Behaviour. In addition, she is an accredited administrator of the Myers Briggs Type Indicator® (MBTI), Spiral Dynamics Integral®, and a Master Practitioner of Neuro Linguistic Programming (NLP).

Mark Moore – Mark specialises in leadership development, performance management, negotiation and conflict resolution, time management, customer service, presentation skills, and project management programs. He has a highly engaging style and a wonderful sense of humour.

AND MORE.....
