

Local Government Finance Professionals Association Inc.

Financial Report for the Year Ended 30 September 2022

COMMITTEE'S REPORT

Your committee members submit the financial report of Local Government Finance Professionals Association Inc., "The Association" for the financial year ended 30 September 2022.

Committee Members

The names of committee members throughout the year and at the date of this report are:

Bradley Thomas	Danny Wain
Gabrielle Gordon	Aaron Gerrard
Alan Wilson	Belinda Johnson
Binda Gokhale	Charles Nganga
Chen Wei	Fiona Rae
Melissa Baker	Tony Rocca
Simone Wickes	Nathan Morsillo

The principal activities of the association during the financial year were to provide professional development opportunities to members of the association.

Significant Changes

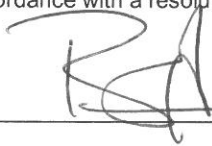

The Association has been greatly impacted by COVID-19 restrictions since March, 2020, resulting in an inability to run any face-to-face seminars, conferences or meetings for either the Members or the Executive for most of 2021 and 2022. Whilst the Association has adapted to an online webinar and meeting presence, this has not been commensurate with the activities which had been planned for the latter part of the financial year. The Association has continued to provide member services in alternative methods until such time as restrictions as set out by the State government are lifted.

Operating Result

The deficit for the 2022 financial year amounted to \$27,044 (2021: deficit of \$14,228).

Signed in accordance with a resolution of the members of the committee.

Signed:

Bradley Thomas

Dated: 1/12/22

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 Vic. The committee has determined that the Association is not a reporting entity.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. **Income Tax**

The Association is not registered for income tax as income is received from members and in the event of winding up the organisation it states that all surplus funds are transferred to another like not-for-profit organisation.

b. **Property, Plant and Equipment (PPE)**

The Association owns no Property, Plant or Equipment.

c. **Impairment of Assets**

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

d. **Employee Provisions**

The Association has no employees.

e. **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

f. **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. **Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

h. Revenue and Other Income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

Contributions (members)

Contributions received throughout the year are recognised as income on a pro-rata basis. Contributions received relating to the subsequent year are recognised at year-end as contract liabilities, if any.

Professional Development Fees

Revenue is recognised when the event is held.

Sponsorship

Sponsorship revenue is recognised on an accruals basis when the Association is entitled to it.

i. Leases

The Association has no leases at 30 September 2022.

j. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

k. Financial Assets

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

l. Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Local Government Finance Professionals Association Inc

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

m. **Contract liabilities**

Contract liabilities represent the incorporated association's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the incorporated association recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the incorporated association has transferred the goods or services to the customer.

n. **Covid-19**

The Association has been greatly impacted by COVID-19 restrictions since March, 2020, resulting in an inability to run any face-to-face seminars, conferences or meetings for either the Members or the Executive. Whilst the Association has adapted to an online webinar and meeting presence, this has not been commensurate with the activities which had been planned for the latter part of the financial year. The Association will continue to provide member services in alternative methods until such time as restrictions as set out by the State government are lifted.

Independent Auditor's Report to the Members of Local Government Finance Professionals Association Inc.

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

Opinion

We have audited the financial report of Local Government Finance Professionals Association Inc. ("the Association"), which comprises the Assets and Liabilities Statement as at 30 September 2022, the Income and Expenditure Statement and Other Comprehensive Income, the Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by those charged with governance being the Committee Members ("the Committee").

In our opinion, the accompanying financial report presents fairly the financial position of the Association as at 30 September 2022 and its financial performance for the year then ended, in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the *Associations Incorporation Reform Act 2012 (Vic)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report is a special purpose financial report and has been prepared to assist the Association to meet the requirements of the *Associations Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and the Committee for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view and has determined that the basis of preparation described in Note 1 of the financial report is appropriate to meet its requirements of the *Associations Incorporation Reform Act 2012 (Vic)*. Management's responsibility also includes such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, Management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Committee is responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
