The leadership program was a fantastic opportunity to learn more about local government alongside other finance professionals in a supportive environment. I built valuable connections and gained practical leadership insights. The mentoring component was especially rewarding for me, and I've formed a strong and lasting connection with my mentor.

Melissa Maher, Finance Co-ordinator, Moyne Shire Council

An incredible experience – I grew as a leader, gained real insight into council operations, and built a brilliant network of finance professionals from across local government. The learning, the connections, and the fun made it unforgettable. I'd jump at the chance to do it again.
